Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Roland Park Community Center HVAC project in fiscal year 2024. The entity to receive funding for this project is the Corner Community Center 501(c)3 dba Roland Park Community Center 501(c)3 located at 5802 Roland Avenue, Baltimore, Maryland 21210.

The funding would be used for installing an air conditioning system at the Roland Park Community Center which offers a wide variety of community services including Job Hunting Counseling, Alcoholics Anonymous, Eating Disorders Anonymous, Low-Cost Preschool, Martial Arts Classes, Nutrition Workshops, Teen Summer Camp (free to attend), and Fitness for Older Adults (including Yoga and Tai Chi). The Center does not have air conditioning in their educational classrooms.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

C.A. Dutch Ruppersberger
Member of Congress
